FRONTRUNNER

Say hello to the Frontrunner Scrubs!

Our Frontrunner is made from a light-weighted, polyester-spandex blend and is just as comfortable as gym wear. It is specifically tailored so we can feel and look like the professionals we are!

We offer two different cuts – a comfortable men's cut and a tailored ladies' cut – both have the same style.

Choose from our variety of colours:
Black, Navy, Maroon, Peach, Grey, Royal Blue,
Plum, Green, Aqua and Sage.

ORDER FOR YOUR TEAM

Do you want to order for your team?

SCRUBOS is unique in offering a fitting range to customers wanting to order for a team of health care professionals. The fitting range consists of men's and ladies' samples to fit, ranging from XS-4XL. A deposit is required when booking the fitting range, and it can be kept for a period of time, as discussed on email.

Please email us to get a tailored quote, terms and conditions for you and your team!

SIZING GUIDE

We do not want you to look like you're wearing a bag! Therefore, our scrubs are not unisex.

Our Men's and Ladies' scrubs differ in that the Ladies' scrubs have a feminine cut that flatters the figure. Our scrubs are not baggy and look clean and professional on any body type. Don't worry if you've had a birthday dinner or just returned from a holiday; our Frontrunner collection is made from a spandex blend, making it stretchy and offering a comfortable, stylish fit.

LENGTH TOP

The shirt length is taken from the base of the back of the neck down to where you want the bottom of the shirt to end (when it is untucked).

CHEST

Wrap the measuring tape under your armpits at the fullest part of your chest, around yourself.

BICEPS

With your arm hanging at your side and relaxed, measure around your bicep at its fullest point.

WAIST

Wrap the measuring tape around the smallest part of your waist.

HIPS

Start your measuring at one hip. Wrap the measuring tape over your bum, around your other hip and back to where you started.

LENGTH PANTS

Measure the length from the waist to the bottom of your ankle.

CALF

Measure the widest part below your knee.

THESE ARE THE MEASUREMENTS OF THE PRODUCT.
ALL MEASUREMENTS ARE IN CENTIMETRES
